The Influence of a Therapeutic Drug Monitoring Service on Vancomycin-Associated Nephrotoxicity

January 2024 - The Journal of Clinical Pharmacology (JCP)

Why is this article important to you?

This activity will expand learner knowledge on the potential for adverse effects following optimized dosing of vancomycin and how such toxicity can be limited or prevented.

ACCME

ACPE Accreditation Statement

The American College of Clinical Pharmacology® is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

UAN: 0665-0000-23-038-H01-P - ACPE 1 Contact Hours

Activity Type: Knowledge-based Format: Home-study Target Audience: 'P'

ACCME Accreditation Statement

The American College of Clinical Pharmacology® is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

ACCME Designation Statement

The Accreditation Council for Continuing Medical Education designates this journal CE activity for 1 *AMA PRA Category* 1TM credit. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Target Audience

Interprofessional team of Physicians, Pharmacists, PhDs, and Nurse interested in expanding their knowledge on the potential for adverse effects following optimized dosing of vancomycin and how such toxicity can be limited or prevented.

Learning Objectives

After completing this activity, the learner will be able to:

- 1. Describe the specific risk of vancomycin-associated nephrotoxicity;
- Apply the concept of AUC-guided vancomycin dosing to optimize drug therapy;
- 3. Improve patient care and outcomes with individualized vancomycin dosing strategies.

Requirements to Receive Credit

In order to receive continuing medical education (CME) or continuing pharmacy education (CPE) credit, the learner must register for the educational activity, study the provided journal article, complete the online learning Self-assessment Post-test as well as the online course Evaluation and CME/CPE Certificate. Credits and CME/CPE Certificates must be claimed within thirty (30) days of completing the article, Post-test and Evaluation. Contact CE@ACCP1.org with any questions.

Disclosures:

Article Selection: John van den Anker, MD, PhD, Editor-in-Chief, JCP, selected the article for this

course and has nothing to disclose.

Planner: Oliver Grundmann, PhD, Clinical Professor, Univ of Florida, planned the continuing

education documentation for this course and has nothing to disclose.

CE Reviewer: Steven Tung, MD, JD, President and CEO, MD JD Review, served as the CE

Reviewer and has nothing to disclose.

Schedule & Fees

JCP monthly Journal CE articles are generally released on the 1st or 2nd Tuesday of each month. They are priced in packages of January to December for each year. Packages are available at no cost to ACCP Members and \$75/calendar year to Non-members. Once you register, you have access to all of the Journal CE articles for the calendar year.

Acknowledgement of Financial Support

No financial support was received for this educational activity.
